## REFILLING PRESCRIPTIONS

### ONLINE PRESCRIPTION REFILLS

My HealtheVet is a great resource for managing prescription refills and for other clinical needs.

Visit [www.myhealth.va.gov](http://www.myhealth.va.gov) and click on "My Care" and "Refill Prescriptions."

### AUTOMATED PRESCRIPTION REFILLS

Dial 601-364-1270 or 1-800-949-1009 (enter 1 then ext. 1270)

### DON'T WAIT UNTIL IT'S TOO LATE

The VA Medical Center Pharmacy is here to meet your immediate needs. We are not set up to fill maintenance prescriptions. Therefore, please request your prescription refills from our mail order pharmacy at least 14 days before you run out of medicine. You may request your next refill as early as you like (even the day you receive it).

### MAIL ORDER ONLY ITEMS

Certain medications and supplies are only available through our Centralized Mail-Out Pharmacy (CMOP). Please plan ahead and allow adequate time to receive maintenance prescriptions through the mail. This will allow the pharmacy to expedite service for veterans needing urgent medication fills.

### REFILLS ARE NOT AUTOMATIC

Automatic refills are not currently offered from the VA pharmacy. Requests must be made by either the Veteran or the provider to initiate a refill.
